目標・課題・アイデア

The form is a large sheet of paper with a blue fish illustration on the left and a grey fish illustration on the right. The sheet is divided into three vertical columns by a red vertical line on the left and two vertical lines on the right. Each column has a header box for '達成目標' (Achievement Goal) with '年 月 日' (Year, Month, Day) fields. Below each header box are several horizontal lines, each starting with a small circle. The columns are color-coded: the first column is blue, the second is green, and the third is purple. At the bottom of each column is another box for '達成目標' with '年 月 日' fields.
